ADA Safford-

I wanted to let you know that I received your summons for the [REDACTED] case scheduled for trial on Wednesday, April 25, 2012. I'm curious if it is actually scheduled to go to trial that day, or if it is just being put in the trial pool then. Also, I do not see any drug lab numbers on the summons. I'm guessing that they are [REDACTED], but I would appreciate it if you would double check so I am prepared for the correct submissions. Thanks.
